

*"We make disciples for Jesus Christ by nurturing transformational Christ-centered communities."*

## FIRST TIME COMMITMENT

---

“Evangelism is most effective among kids... $\frac{2}{3}$  of born again Christians made that commitment to Christ before their 18th birthday.” People who become Christian before their teen years are more likely than those converted at an older age to remain “absolutely committed” to their faith.<sup>1</sup>

This year, in Impact 2818’s programs, 433 studentts made a first time salvation decision for Jesus Christ.

## CALL TO MINISTRY

---

“More than half of the people in full time ministry today have made life-changing decisions at camp. Many not only gave their lives to Christ, but also learned their leadership skills there.”<sup>1</sup>

This year, at Impact 2818 camps, 231 students were recognizing, responding to, and exploring the ministry’s that they believe God is leading them towards.

## CAMPERS AT CAMP

Impact 2818 is far more than just an activity for kids. These camps exist to be an extension of each church's ministry providing resources and excellence in creating opportunities for evangelism and discipleship.

This year, 3,252 students experienced one of the many great opportunities of camp through Impact 2818's summer programs.

## VOLUNTEERS AT CAMP

A camp counselor spends more time with a camper in one week at camp than most youth/children's workers get in one year at church. For this reason, we continue a model of ministry that is deeply connected to the local church.

This year, 1,060 volunteers came together to live out the gospel with all of our campers and their families.

## SCHOLARSHIP GIFTS FOR CAMP

---

Impact 2818 was able to assist 546 campers with \$134,575.16 to make camp possible for those families.

Additionally, partnering churches provided \$273,697.68 in trackable assistance for 1,122 campers to support them in getting to camp.

Finances should never limit ministry. To get more kids to camp, we need the partnership of donors who also desire to never see a student waiting at home because of finances.

Impact 2818 is a ministry of the Indiana  
Conference United Methodist Church
