## Your Hostess Rewards

Much like other popular hosting parties such as selling food, jewelry and crafts, you'll be giving your family a gift as you earn free Camping Credits which can be used for any camper in your family. This is easy, but best of all, through camping, you're sharing Jesus Christ with your family and friends.

### Camper Credits and Free Gifts

You will receive up to 20% of your qualified show totals\* in camp credits plus some cool gifts for your camper and even your friends. It doesn't take much, when you help sign six new campers up you'll be sending your child for free. When you reach 10 new campers, two of your children could go to camp for free.

# of campers	camper credit	hostess' camper gift	gift for entire party
1-3	15% of show total		
4-6	17% of show total	free water bottle	
7-9	18% of show total	free photo album	
10+	20% of show total	free camper shirt	free water bottle & photo album

\*In order for a camper registration to be deemed as qualifying and included in your show totals, the registration must be included and paid for in your party order at the close of your show, the new camper must not be your child, and the registration must be for a camper who has not attended an Impact 2818 camp (Camp Adventure, Epworth Forest CC, Camp Indicoso, Camp Lakewood, Pine Creek Camp, or Camp Rivervale) within the past two years.
