

## FAQ's & Details

### **Why Doesn't Impact 2818 Provide an At-The-Party Salesperson?**

Our approach is to provide a camp representative who is available via phone to answer questions before and during your party. The sales people are sometimes viewed as pushy, intrusive or, simply saying what they are paid to say. In this model, the hostess is a trusted friend or neighbor who is also sending their kids. It creates a more comfortable dynamic for a decision of this caliber.

### **Can I Sign Up My Own Children as New Campers?**

No. Even if they've never been before, your own children do not qualify. Impact 2818 is a non-profit organization and the Happy Camper parties are designed to be an outreach to new campers that our camps do not have a connection to.

### **What if a Guest or I Need to Apply for a Scholarship?**

Scholarship applications are included in this form. Complete and mail it within 24 hours of your party, use the Happy Camper envelope to expedite processing. You will be closing your show two weeks from the day of your party, giving you and your guests time to receive a response to scholarship applications.

### **What if I Have a Friend That is New But Already Registered for Camp or Registers Later?**

Sorry, those registrations won't be applicable to your camp party. Registrations must be submitted through you at the close of your party to qualify.

### **Do All of the Guests Need to Sign Up for the Same Camp?**

No. You and your guests can sign up for any mix of events.

### **Where Do I Find Answers to My Guests Common Questions?**

The Camp Brochures included in your packet have answers to the most common questions; familiarize yourself with that information. Other questions can be answered by your Camp Representative.
